

TRENZSEATER

ATELIER PULL BAR - DOUBLE SIDED

The TRENZSEATER Hardware collection is made from solid brass and features exquisite knurling detailing in brushed brass, oil rubbed bronze and matt black finishes.

Having well-appointed HARDWARE is a small detail that makes a big difference to the interior of your home, whether it be for kitchens, wardrobes, doors or cabinetry, it is an essential design element you can't forget. The TRENZSEATER Hardware collection is an example of TRENZSEATER's attention to detail that we pay to every aspect of your home.

TECHNICAL INFORMATION

Type: Double Sided

Size Available: XLarge: L700 x H18 x D47

Finishes available: Brass or Oil-Rubbed Bronze

Knurling to full length of handle

Suitable for 40-50mm door thickness & 10mm door thickness

Comes with washers that sit against the door and rubber washers for glass doors

FINISHES

Brass

Oil-Rubbed Bronze

Please note: OIL-RUBBED BRONZE is a *'living finish'*. This means, the more you use this oil-rubbed bronze product the more the base brass metal will show through. In short, this product will age beautifully with you.
