

Assembly Instructions

CELESTIAL LARGE PENDANT

General Materials: Glass & Iron

Length: 70 cm

Width: 70 cm

Height: 58 cm

Weight: 4.15 kg

Picture shown for reference is in rouille finish.

For your safety it is very important that you read these instructions before installing this pendant - we strongly advise that you use a certified electrician for both consultation and installation.

Important Safty Instructions

1. Use an authorised and certified electrician for consultation and installation.
2. This pendant has been rated for 12 x 7.5-watt maximum (90W).
S11-E12-7.5W x 12
S11-E14-7.5W x 12
To avoid the risk of fire, do not exceed the recommended wattage.
3. Check your ceiling capacity. The ceiling must be able to support at least 5 times the weight of the ceiling light. For this light, a ceiling capacity of at least 20.75 kg is required.
4. The manufacturer and distributor accept no liability for incorrect installation.
5. For indoor use only.
6. Keep out of reach of children.
7. Remember to turn off your electricity supply at main circuit panel before installing. Do not reconnect the electricity supply until your light is fully assembled and installed.
8. All wires are connected inside the light. Do not remove the pendant from its packaging by pulling on the power cord, as this could affect the connection.
9. To reduce the risk of electric shock or personal injury, always switch the light off and allow it to cool down before replacing light bulbs. Do not touch or look directly at the light bulbs when the light is turned on.
10. To reduce the risk of fire, do not place flammable materials near the light bulbs.
11. Ignoring these instructions may result in a risk of fire or personal injury.

Finish

Once the pendant is installed, switch on the light to test it. Sit back, relax, and enjoy. It's time to get your friends over and show them your new centrepiece.

Care Advice

Flast Brass / Matt Black / Natural Metal / Rouille Frame

1. Clean regularly with a clean, soft, slightly damp cloth. Wipe dry.
2. Wipe up any spills immediately.
3. Avoid the use of chemical and abrasive cleaners.
4. Do not use steel wool or scouring pads as they may scratch the surface.

Clear Glass

1. Clean regularly with a soft, slightly damp cloth. Wipe dry with a clean, dry cloth.
2. Wipe up spills immediately
3. Glass cleaner may be used on clear glass, do not use on glass with a coloured finish. Take care not to spray the metal frame with the glass cleaner.
4. Avoid the use of chemical and abrasive cleaners.
5. Do not use steel wool or scouring pads as they may scratch the surface of the glass.

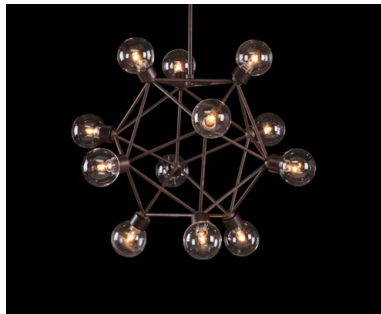

Environment

Discarding this light may require special waste handling. Please contact your local authorities for more information.
