

TRENZSEATER

ATELIER CABINET KNOB

The TRENZSEATER Hardware collection is made from solid brass and features exquisite knurling detailing in brushed brass, oil rubbed bronze finishes. Having well-appointed HARDWARE is a small detail that makes a big difference to the interior of your home, whether it be for kitchens, wardrobes, doors or cabinetry, it is an essential design element you can't forget. The TRENZSEATER Hardware collection is an example of TRENZSEATER's attention to detail that we pay to every aspect of your home.

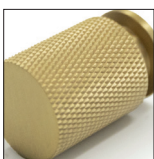

TECHNICAL INFORMATION

Size: H30mm x D20mm

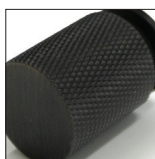

Finishes: Brass, Oil-Rubbed Bronze

Knurling to full length of knob

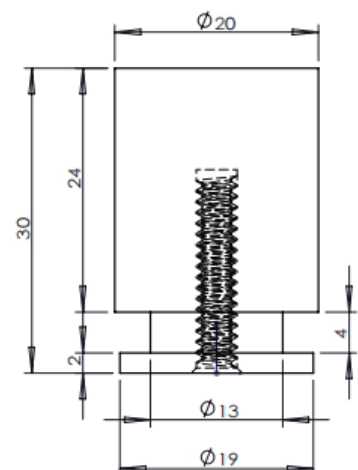

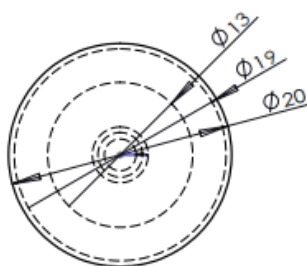

FINISHES

Brass

Oil-Rubbed Bronze

Please note: OIL-RUBBED BRONZE is a 'living finish'. This means, the more you use this oil-rubbed bronze product the more the base brass metal will show through. In short, this product will age beautifully with you.
