

Le lampade della collezione Officina uniscono la ruvidezza del ferro alla ricercatezza di linee essenziali. Il gusto è tipicamente industrial, per lampade a sospensione e applique da interno in grado di creare atmosfera ovunque siano posizionate, sia in un ambiente domestico sia in uno spazio collettivo.

*The Italian lamps in the Officina collection combine the rough texture of iron with refined essential lines. The style is typically industrial for pendant lamps and indoor wall lamps that create the right atmosphere wherever they are positioned, whether in a home environment or a collective space.*
