Adami

SMALL TABLE DESIGN BY STUDIO CATTANEO DESIGN

Il dialogo cromatico delle diverse finiture di marmo è la caratteristica distintiva della collezione Adami, famiglia di tavolini in varie dimensioni che cattura lo sguardo con la sua semplicità e raffinatezza. I tavolini Adami sono essenziali nella struttura monoblocco e ricercati nelle combinazioni diverse dei top in marmo, per un elegante risultato bicromatico. Il basamento in legno massello, dalle proporzioni maschiline, compensa e alleggerisce l'impatto visivo del piano. Il risultato finale è un complemento d'arredo glamour e contemporaneo, che entra con disinvoltura ed eleganza in ogni ambiente.

The chromatic dialogue of the different marble finishes is the distinctive feature of Adami collection, a family of small tables in various sizes that catch the eye with their simplicity and refinement. Adami small tables are essential in their monobloc structure and sophisticated in the different combinations of marble tops, for an elegant bichromatic outcome. The solid wood base, with its masculine proportions, balances and lightens the visual impact of the top. The end result is a glamorous and contemporary piece of furniture that enters any environment with ease and elegance.
