

# TRENZSEATER

---

## ROMA TABLE LAMP

---

The Roma Table Lamp is a study in timeless materiality and sculptural form. Featuring a solid Arabescato marble base, each piece is naturally unique, defined by soft grey veining that brings depth and character. Finished with warm bronze metal detailing, the lamp creates a refined balance between classical stone and contemporary design. Perfect for bedside tables, consoles, or living spaces, Roma adds a subtle statement of understated luxury.
