

LIMITED EDITION

## TECHNICAL DETAILS

**Category**  
Essential

**400 cm**  
13'1"

**Total weight**  
3,50 kg/m<sup>2</sup>  
0.72 lb/sq.ft

**Total Thickness**  
15 mm  
0.6"

**Maximum sizes**  
400 x 2000 cm  
13'1" x 65'7"

**Circle**  
Ø 400 cm  
Ø 13'1"

**Broadloom**  
Available as broadloom

## SPECIFICATIONS

EN 1307 - CLASS 31

**Level of use**  
Moderate Commercial Use

EN 13501-1

**Fire certification**  
Efl

VL37341  
Twig

## FINISHING

**Standard**

Invisible

## SHORT CARE ADVICE

Unroll your rug immediately upon receipt and let it rest 24–48 h to settle; do not place objects on it. Store flat in a dry, stable environment if not installed. Vacuum at least twice a week with suction-only, rotating every 3 months. Trim loose threads with scissors—never pull.

Avoid harsh chemicals, high-pressure cleaners, folding, dragging furniture, and water on sensitive fibers. For stains, blot wet spills gently with white absorbing paper or cloth towel, scrape dry residues carefully, and consult a professional rug cleaner for heavy or persistent stains. Shedding is normal for natural fibers and will reduce over time.

For more detailed explanation, consult our full maintenance instructions on our website.

## HOW IS ECONYL MADE?

Polyamide ECONYL® is a regenerated polyamide fiber made from recycled waste such as fishing nets, old carpets, and industrial plastics. Through a chemical recycling process, it is transformed back into high-quality polyamide with the same performance and durability as virgin material. It offers a more sustainable solution by reducing waste and reliance on new fossil resources.
